Dear Sir:

Am remitting one dollar for the copy of marriage license. There seems to be a mistake somewhere as our ages are reversed on this copy. My former husband's age was twenty three and mine twenty one when the license was issued.

My chief reason for wanting this copy is to establish my correct age but this copy does not coincide with the date of my birth and is definitely wrong. Can this error be corrected or is the error on the original marriage license

Very truly yours
