For Speed, Simplicity and Economy,  
 this Engine has no equal. It possesses many striking advantages over all other Engines, either slow speed or so-called high speed. Its speed is closely regulated by a sensitive and reliable automatic governor. Built of any required size and power.  
**FOR ALL STATIONARY AND MARINE PURPOSES.**  
 It can be coupled directly to dynamos, fans, blowers, circular saws, or any machine requiring great speed. Being light and compactly built, it takes up less room than any other Engine of equal power. No heavy foundations required. This Engine is THE ACME OF SIMPLICITY. Requisites vary. Please attention from your firm at each revolution. It takes steam and exhausts.
