BUILDING THE FUTURE OF OUR LIBRARY TOGETHER

The Friends is a nonprofit that helps to ensure that every branch in our county is supported, empowered, and able to uplift literacy, learning, and inclusion for all. We help expand access to books, materials, programs, and resources that strengthen our community, and promote a library system where everyone—at every age and stage—has the opportunity to learn, grow, and belong.

WHO ARE THE FRIENDS OF THE LIBRARY?

The Friends are community members who believe libraries are essential—places that spark curiosity, encourage lifelong learning, champion inclusion, and strengthen our county. As a nonprofit partner to WCFL, we work side-by-side with library staff to ensure every branch has the support it needs to serve readers, families, and learners of all ages.
